

Mark Henderson
Chair of the Board, OCI

Mark Henderson is a former senior telecommunications industry executive, with more than 35 years of experience in the sector.

Most recently, Mark was Chairman of Ericsson Canada, prior to which he held the position of President and CEO for more than 14 years. In this time, Ericsson has become the leading telecommunications infrastructure provider in the Canadian market, and stands as one of the top-10 research and development companies in the country.

Throughout his career, Mark has held various senior positions within the telecommunications industry, in disciplines including design and development, program management, operations, and executive management.

Beyond the Canadian market, his broad experience includes a number of international assignments including Asia, Central America, the Middle East, and Europe.

Mark has been an active participant in a number of industry boards and forums, including the Canadian Wireless Telecommunications Association (Chair, Vice-Chair), the McGill Executive Institute Advisory Board, and the Business Council of Canada.
