WILSONCOOK ASSOCIATES

MINIMIZE THE BURDEN, MAXIMIZE THE BENEFIT

Primary Consultant

Stephen Wilson:

-Over 25 years of experience leading complex technology-based programs in the telecommunications, defense, and electronics industries.

-Has worked extensively and successfully with international clients and teams across North America, Europe and Asia.

Services

WilsonCook Associates offers a one-stop shop to support you in your technology and digital projects.

This includes but is not limited to:

- Project management and budgeting
- Digital consulting
- Technology roadmaps
- SRED consulting and program funding

“I am here every step of the way to help you plan, develop, and implement successful technology solutions”
