

Developing **Digital** Distinctions

Meet **Mr. Amit**, Leading Digital Adoption Consultant

Mr. Amit is a successful entrepreneur with 15 years of experience in scaling businesses across multiple industries. With his expertise in digital adoption, he is currently consulting and working with startups and Fortune 100 companies building tech products that are cutting-edge and game-changing. He has years of experience in developing MVPs, cloud architectures, and robust backends that scale and last. A seasoned entrepreneur and a mentor to many companies, Mr. Amit has successfully helped over 100+ companies in the last 15 years to fulfill their vision and most importantly has helped them scale.

A black and white portrait of a man with short dark hair and a beard, wearing a patterned shirt. He is smiling slightly and looking towards the camera. The background of the portrait is a blurred cityscape with a network overlay.
