

INTELLECTUAL PROPERTY STATEMENT

The Applicant and Project Partners must be free to use, develop and exploit for commercial purposes without any third-party encumbrances. Intellectual Property (IP) arising from the project must be managed by the Applicant and project Partners. OCI does not claim or manage Project IP rights.

Below please outline the IP arrangement between the Applicant and all Project Partners. Include a description of:

- The intellectual property (IP) ownership and sharing agreement(s) for the proposed project.
- Any International IP agreement needs to be outlined by applicants.

Note: This Intellectual Property Statement will be incorporated into the OCE funding agreement and should be agreed upon by all parties, as applicable, prior to submitting to OCI.
