

## **Why Choose Get Uniflo Inc.**

Get Uniflo Inc. is a proudly Canadian SaaS company based in Toronto, Ontario, founded by two passionate partners and powered by a dedicated team of developers. We are on a mission to help small business owners save money, simplify operations, and scale faster through smart software, automation, and AI-driven marketing solutions.

### **1. Built for Small Business Owners**

At Get Uniflo, we understand the unique challenges small businesses face: limited time, limited budgets, and the need to get more done with fewer resources.

Our platform was built with that in mind. We bring together everything you need to manage, market, and grow your business in one place.

Uniflo replaces multiple expensive tools such as:

- CRMs (e.g., HubSpot, Pipedrive)
- Email and SMS marketing tools
- Funnel and form builders
- Booking systems
- Reputation and review managers

By consolidating all of these, Uniflo helps business owners cut costs and boost efficiency, allowing them to focus on what matters most: growing their business.

### **2. Automate Your Sales and Marketing with AI**

Uniflo empowers small businesses with intelligent automations that save hours of manual work every week.

You can easily automate:

- Customer follow-ups and lead nurturing
- Appointment reminders and confirmations
- Missed-call text backs
- Sales pipeline management
- AI-enhanced marketing and communication sequences

Our automation tools help you work smarter, not harder, ensuring no lead slips through the cracks and your customers stay engaged.

### **3. Unified Communication Hub**

Uniflo brings all your customer communication into one simple, easy-to-use inbox:

- Text messages
- Emails
- Facebook and Instagram messages
- Google Business chats
- Calls and voicemails

Everything is centralized so you can respond faster, stay organized, and never miss a conversation again.

#### 4. Real-Time Analytics and Reporting

Get instant insight into your marketing and sales performance.

With Uniflo, you can track:

- Campaign ROI
- Conversion rates
- Lead sources
- Sales pipelines

Our intuitive dashboards help small business owners make data-driven decisions and measure the impact of every effort.

#### 5. Proudly Canadian, Built with Purpose

As a Toronto-based company, Get Uniflo Inc. is proud to support Canadian small businesses.

We believe in providing affordable, powerful, and easy-to-use software that levels the playing field, giving small business owners access to tools previously available only to large enterprises.

#### 6. Cost-Effective and Scalable Growth

With Get Uniflo, you can eliminate the need for multiple subscriptions and complicated tech stacks.

Our goal is simple: help you save money while growing faster through automation, AI, and an all-in-one platform that scales with your business.
